Royle Family star wins bid to clear name

MEMBERS of the so-called Shrewsbury 24, who were convicted for picketing nearly 50 years ago, have won a bid to clear their names at the Court of Appeal.

Two dozen trade unionists who picketed during the 1972 national builders' strike were charged with offences including unlawful assembly, conspiracy to intimidate and affray for picketing, with 22 convicted.

Lawyers representing 14 of the Shrewsbury 24, including *The Royle Family* star Ricky Tomlinson, argued the destruction of original witness statements means their convictions are unsafe.

On Tuesday, the Court of Appeal allowed the appellants' challenge to their convictions.

Mr Tomlinson (above), who jailed for two years conspiracy to intimidate and affray, said: "The reality is we should never have been standing in the dock."

Sturgeon 'misled' Scottish parliament

NICOLA Sturgeon misled a Scottish Parliament committee, an investigation into the Scottish Government's unlawful handling of harassment allegations against Alex Salmond has concluded.

It found a "fundamental contradiction" in her evidence on whether she agreed to intervene in a Scottish Government investigation into complaints by two women against the former first minister.

The report said: "She has misled the committee on this matter."

IS SHITTING IN THE STREET NOT ILLEGAL ANY MORE?

Fury at Bristol riot poo girls

FURY was growing last night after footage emerged of two women SHITTING and PISSING in front of cops during Sunday night's Bristol riots.

The pair pulled down their trousers and panties and each let fly a golden stream of steaming ladytinkle at the cops' feet.

One then went further by squeezing out a steaming log of POO while rioters whooped and cheered.

Many asked on social media why

COP FOR THAT! Rioter attacks police van

the women were not arrested.

The law states: "A person who urinates or defecates in any public place otherwise than by using a lavatory commits an offence and is liable on summary conviction to a fine."

Mayor Marvin Rees said the rioters' actions were "pathetic".

It comes after the protest against the Police and Crime Bill - dubbed 'Kill the Bill' - turned into a violent night of rioting, which saw multiple police officers injured and one suffering a collapsed lung after being trampled on.

TalkRADIO presenter Julia Hartley Brewer asked Mayor Marvin Rees what he made of the actions of the protesters caught defecating, to which he replied: "It's pathetic. Well, it's worse than pathetic. 'It's also politically illiterate.'"

COMMON COLD KILLS COVID

THE common cold can wipe out the COVID virus, boffins have found.

The virus that causes the snuffles can effectively boot the COVID virus out of the body's cells, say researchers.

Some viruses are known to compete

By SUZIE SHELTON
news@sundayreport.co.uk

in order to be the one that causes an infection.

And University of Glasgow scientists say it appears cold-causing rhinovirus TRUMPS coronavirus.

The benefits might be short-lived but rhinovirus is so widespread, they add, it could still help to suppress COVID.

There has been much speculation about how the virus that causes COVID - known as Sars-CoV-2 - would fit into the mysterious world of "virus-virus interactions".

The challenge for scientists is that a year of social distancing has slowed the spread of all viruses and made it

much harder to study.

The Centre for Virus Research in Glasgow used a replica of the lining of our airways, made out of the same types of cells, and infected it with Sars-CoV-2 and rhinovirus, which is one of the most widespread infections in people and a cause of the common cold.

Exciting

If rhinovirus and Sars-CoV-2 were released at the same time, only rhinovirus is successful.

If rhinovirus had a 24-hour head start, then Sars-CoV-2 does not get a look in.

And even when Sars-CoV-2 had 24 hours to get started, rhinovirus boots it out.

"Sars-CoV-2 never

takes off, it is heavily inhibited by rhinovirus," Dr Pablo Murcia said.

"This is absolutely exciting, because if you have a high prevalence of rhinovirus, it could stop new Sars-CoV-2 infections."

A large rhinovirus outbreak may have delayed the 2009 swine flu pandemic in parts of Europe.

Further experiments showed rhinovirus was triggering an immune response inside the infected cells, which blocked the ability of Sars-CoV-2 to make copies of itself.

When scientists blocked the immune response, levels of the COVID virus were the same as if rhinovirus was not there.

Deaths drop to below average

THE number of registered deaths in England and Wales has fallen below the average for this time of year for the first time in six months.

There were 10,987 deaths from all causes registered in the week ending March 12 - down 605 deaths from the previous week, the Office for National Statistics (ONS) said.

This is 511 deaths (4.4%) below the five-year average.

There were 1,501 registered deaths involving coronavirus in the week ending March 12 - a fall of 28.7% from the previous week.

It is the lowest number since the week ending October 30.

Deaths among people aged 80 and over have fallen by 91% since the second-wave peak.

Deaths for those aged 75-79 dropped 89% and 88% for those aged 70-74.

Jobs lift as 200,000 back on payrolls

THE number of workers on company payrolls in the UK climbed by almost 200,000 in the three months to February, amid signs the jobs market may be stabilising.

However, the number on payrolls is still 693,000 lower than last February, before COVID lockdown measures began.

It comes amid growing optimism that the vaccine rollout will lead to a faster-than-expected economic recovery.

The unemployment rate now stands at 5%, down from 5.1% before.

Sam Beckett, head of economic statistics at the Office for National Statistics, said people aged under 25 continue to bear the brunt of the job losses.

MEG: MY SIX TIMES A-DAY SEX RECORD

By **GRACE HOOPER**
news@sundaysport.co.uk

IT must have been like a wizard's sleeve!

Megan Barton Hanson had fans puling the end off when she revealed she'd shagged six times in one day.

And she revealed she prefers PUBES to a fully-shaven smooth MINGE!

Taking to her Instagram account for a Q&A session, the former *Love Island* star, 27, divulged how active she is in the bedroom.

One fan asked her: "Most times you've had sex in one day?"

The podcaster replied: "Erm 5/6 but that's not a regular thing hahaha."

Exhausted

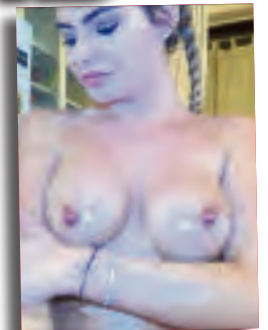

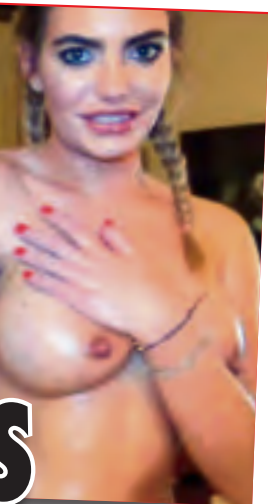

Elsewhere on the Q&A, she revealed she once had a heart shape shaved into her pubic hair.

Another fan asked: "Is bush making a come back?"

She said: "I hope so love a bush! I once tried to do a heart shape it's harder than it looks."

It comes after Megan said she blamed porn for making her believe she "always had to please men" during sex.

She admitted she was "exhausted" constantly trying to meet her male partners' needs and admits

she struggled with the confidence to speak out after seeing the racy films.

Megan, who is bisexual and likes to suck on dripping wet FANNY as well as iron-hard, spunk-spurting COCK, confessed she "didn't really enjoy sex" until she started dating her first long-term boyfriend.

"You tend to get more brave and have more open conversations about your feelings and desires," she said.

"When I was younger, I was always trying to please the guy because of what I'd seen in porn."

"Am I moaning too loud? Am I not moaning enough? Am I doing it right? Do I look sexy in this position?"

"It was exhausting – and it's exactly the same for men."

DRUG DEALER USED DRONE TO GET SMACK TO PUNTERS

A SPACE-AGE drug dealer delivered heroin to his quivering punters using a high-tech DRONE, cops say.

John Plan, 51, was nicked after cops found him with the unmanned aircraft and a small quantity of smack.

"Seemed like a good idea," Simi Valley police wrote on Instagram.

"It wasn't ... Heroin sales, even in Class A-G airspace, is heroin sales. Found this gem on a suspected heroin dealer."

Plan (right) was booked into Ventura County Jail

on two counts of possessing a controlled substance for sale and one count of controlled substance possession.

Plan, of Simi Valley, California, was nabbed during an investigation by narcotics detectives and homeless liaison officers into alleged

sales of heroin and methamphetamine.

Officers then discovered that he was operating a drone as he was arrested and "suspected heroin" was found attached to the unmanned aerial vehicle, police said in a statement.

Rebel's F-word rant after bike clash with dog

ACTRESS Rebel Wilson had a rant on social media after revealing she was injured on a bike ride in London when a dog ran into her path.

The Australian star of *Pitch Perfect* shared a picture to Instagram showing her feet propped up on a table with ice on her left ankle.

The 41-year-old wrote: "F*** people who don't have their dogs on the lead and let them run onto the road!!"

In a separate video, Wilson filmed herself riding past Buckingham Palace and said: "But 20 minutes earlier before the accident I was cycling great!!"

The comedian (above) is reportedly in the UK filming her latest project.

Over the weekend she shared a picture with Matt Lucas.

Wilson made headlines last year for her dramatic weight loss.

Brexit's a blooming pain for flower firm

BREXIT has contributed to a shortage of flower pickers in the UK, a bulb grower has said.

Taylor's Bulbs in Holbeach, Lincolnshire, normally harvests around 2.5 million cut daffodil flowers per year.

Horticulture manager Kevin Haynes said the firm will harvest around a third of that this year due to a lack of pickers.

"Because of Brexit we're not allowed to bring in staff," he said.

MADONNA

By GRACE HOOPER news@sundaysport.co.uk

PORN legend Tera Patrick has waded into the Cardi B/Megan Three Stallion Grammys debate... claiming pop queen Madonna's antics were FAR worse!

The now-retired grumble queen said that while Cardi and Megan have been slated for their X-rated on-stage antics at the music awards earlier this month, 30 years ago Madge was FINGERING herself!

Tera, 44, wrote on Twitter: "Like Madonna wasn't popping her pussy, shoving it in everyone's face, fingering herself in a 'coffee table' book and doing simulated sex on stage? I can name heaps of entertainers who do the same, so why is she getting so much hate?"

Cardi B and Megan's Grammys performance of 'WAP' drew dozens of complaints to Yank broadcasting watchdogs.

The pair did a clean version of the song, rather than the explicit original – but their outfits and choreography were described by critics as pornographic, with one saying they looked "as if they were dancing in a strip club".

"The outfits they were wearing and the movements they did were absolutely disgusting," wrote one viewer. But who is ruder: Madonna or Cardi B and Megan Three Stallion?

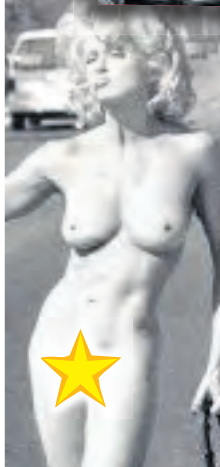

Here's some pics to help you decide...

DEAD END: Stanley got 'decapitated' in 2013 flick

FILM STAR GIRAFFE OWNERS GET IT IN THE NECK

A FILM star giraffe that is the most popular attraction at a wildlife ranch has been "arrested" by cops – because his owners don't have the proper licence for him.

Stanley, who made a cameo in *The Hangover Part III*, has lived among zebras, camels and other animals since 2015 at Malibu Wine Safari's Saddlerock Ranch in California.

But the state Department of Fish and Wildlife now claims the owners never

got the proper permits to operate a business with wild animals.

Malibu Wine Safaris owner and CEO Dakota Semler has been charged with maintaining an animal facility or a wild animal without a licence.

And her father, Ron Semler, has been accused of providing false

information for Stanley's restricted species permit.

"Right now, they're in unlawful possession of a giraffe," said Capt. Patrick Foy, of the Department of Fish and Wildlife.

Both Dakota and Ron Semler have pleaded not guilty to the charges.

Meanwhile, Stanley has been "seized in place" by

authorities – since it's too difficult to actually move the 18-foot creature.

Authorities said he will stay at the ranch for now.

In the 2013 movie *The Hangover Part III*, Stanley gets DECAPITATED after his trailer being towed on a motorway collides with a low bridge, triggering a multi-vehicle pile-up.

Oldest audience for Eggheads 'tricky' for Beeb

QUIZ show *Eggheads* became "tricky" for the BBC because the Corporation is so keen to attract "younger audiences", host Jeremy Vine said.

It was announced earlier this month the long-running programme, which began in 2003, is moving to Channel 5.

The BBC said it had to make "difficult decisions in order to grow new shows".

Vine (above), who has hosted *Eggheads* since 2008, told the *Radio Times*: "The good old BBC are very aware that they need to innovate constantly and bring on a younger audience."

"If you're a successful show – which *Eggheads* is with over 2,000 editions – you're always going to be vulnerable to somebody saying, 'I think we can find something better'."

"It's difficult being the BBC. The thing that made *Eggheads* tricky for them was that research showed that it had the oldest audience on British television."

Cineworld set to re-open for monster movie

CINEWORLD has said it will reopen U.S. cinemas next month, followed by the UK in May, after signing a deal with Warner Bros to show films in theatres before they are streamed.

The company will open a handful of its Regal cinemas in the States in early April.

Godzilla vs Kong will be the first film to make its debut in the theatres.

Cineworld said the deal with Warner Bros means films will have a period of exclusivity in cinemas before being made more widely available.

It follows a row last year when Cineworld and rival AMC, which owns the Odeon Cinemas chain, criticised Universal Pictures for releasing *Trolls: World Tour* online while theatres were forced to close because of the coronavirus.

MIDWEEK Sport COMMENT

Don't use 'Third Wave' as an excuse for more lockdown, Prime Minister!

YESTERDAY, Britain marked the grim milestone of a year in lockdown.

We all remember that solemn evening when Prime Minister Boris Johnson came onto our tellies and announced that Britain was shutting up shop.

And we all agreed it was the right thing to do. Indeed, many thought the lockdown had been imposed too late.

Stable doors and horses...

But Britain at the end of March 2021 is a VERY different place to the Britain of 2020.

Most importantly, thanks to the vaccination programme – something everyone can agree the government DID get right – the most vulnerable among us are protected.

Heaven and Earth have been moved, billions have been spent, to get the aged and the sickly jabbed.

DON'T MAKE IT WORSE: Plea to the PM

But the vaccination programme will count for nothing unless it is our passport to freedom.

So we have to worry when the Prime Minister warns that a fresh wave of COVID infections sweeping through Europe will hit the UK "in due course".

He said: "It's worth stressing

that on the continent right now, you can see, sadly, there is a third wave underway.

"People in this country should be under no illusions that previous experience has taught us that when a wave hits our friends [in Europe], it washes up on our shores as well."

Is the PM trying to soften us up and scare us into accepting a LONGER lockdown?

We certainly hope not.

If the vaccines work, Britain is protected. Europe is not because they screwed up their vaccination programme, their people are dying needlessly thanks to bureaucrats' failures.

We vaccinated Brits can surely wade waist-deep in a soup of coronavirus with no ill effects.

The latest figures from the USA show that the AstraZeneca jab is 100 per cent effective in preventing serious illness.

The economy is on its knees. The British people are going mad with frustration.

A longer lockdown will only make this worse.

PLEASE, Boris, don't use the European Third Wave as an excuse to keep the country imprisoned a moment longer.

COP OUT: Could new series be last for DI Joanne (right)

By COLIN HURST
news@sundaysport.co.uk

LINE of Duty fans were being comforted after show-runner Jed Mercurio suggested the current series could be its LAST!

Sunday's return of the police corruption thriller attracted the biggest audience in the BBC One police drama's history, according to overnight figures.

The opening episode of series six was watched by 9.6million viewers. That surpassed the show's previous record of 9.1million for the finale of series five in 2019.

But the show's creator and writer said that series seven has not been commissioned.

Jed admitted that ongoing COVID-19 restrictions could make filming another series very difficult, explaining: "We're in a situation where it's not entirely clear that there will be a seventh series. We would hope there could be, but we're having to do our planning coming out of COVID, and a whole bunch of other things around the idea that these things aren't guaranteed at all now."

However, he admitted that if it can go ahead, he would want it to, adding: "I think the

IS IT THE END OF THE LINE (OF DUTY)?

indications are that the BBC remains very supportive. So, without a formal commission, I would say conversations have been very reassuring from the standpoint of not having to wrap things up."

Season six saw AC-12 begin to look at DI Joanne Davidson, played by Kelly Macdonald, the lead officer on an unsolved murder case.

Earlier this year, Adrian Dunbar, who plays Supt Red Hastings, admitted she show cannot go on forever.

He appeared on Graham Norton's Virgin Radio show to speak about what's in store for viewers.

The actor told Graham: "I think as long as there's an appetite from our audience for the show, we'll keep going."

"Why would we stop? Jed has managed to keep the standard so high for so long, and people love the show."

"I hope it does go on," he continued before explaining the programme would have to be cancelled at some point in the future, adding: "But of course everything is finite. I see *Peaky Blinders* is coming off after six fabulous seasons."

Killer cut up bodies of two women victims

A MAN killed two young women in his home nearly a decade apart – then cut up and disposed of their remains by throwing them in a lake and flushing them down the toilet.

Adam Strong, 47, was convicted of first-degree murder for the killing of Rori Hache and of manslaughter in that of Kandis Fitzpatrick.

Ontario Superior Court in Toronto, Canada, heard Strong (above) previously acknowledged that prosecutors had proved he dismembered the two women but argued they failed to prove he killed either one.

But Ontario Superior Court Justice Joseph Di Luca found Strong killed Hache in September 2017 by repeatedly hitting her in the head with a hammer, or a similar object, as she lay bound in his bedroom.

He found Strong also killed Fitzpatrick in 2008 but said there was insufficient evidence for a murder conviction.

Ignoring 'use-by dates' is risking serious illness

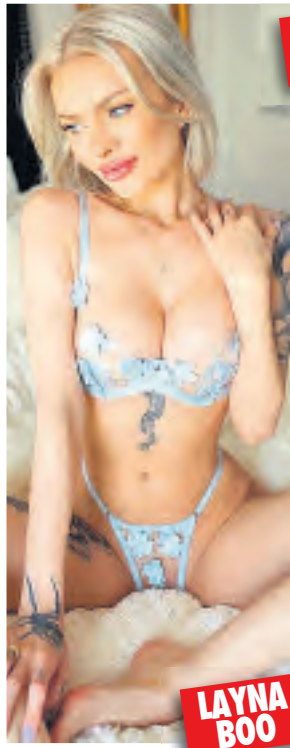

MANY adults are ignoring 'use-by dates' on food amid confusion about labelling or a preference for the "smell test" – putting themselves at risk of serious illness, a regulator has warned.

The Food Standards Agency (FSA) found 50% of adults in England, Wales and Northern Ireland do not always check the use-by date.

And 76% have knowingly eaten food past its safe time limit, while 37% admit to cooking food for other people that is past its use-by date.

The poll suggests consumers are confusing use-by dates with 'best before' dates, which is a quality indicator that food eaten beyond this time might not taste as good.

Half of adults (50%) cannot correctly define the use-by date as the date up to when food can be eaten safely.

AS PATSY PALMER STORMS OFF GOOD MORNING

TOP OF THE STROPS!

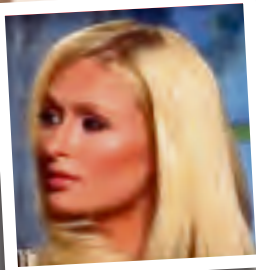

PARIS HILTON

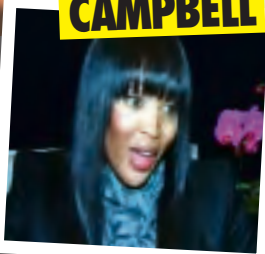

THE former reality star and celeb porn tape pioneer used to be all over the tabloids and television, but isn't quite as exposed any more.

So the interviewer asked, "Do you ever wonder if your moment has passed?"

The question made someone flag Paris Hilton to get up and leave the interview.

NAOMI CAMPBELL

THE model was asked about receiving a diamond from former Liberian leader Charles Taylor.

She responds with "I did not receive a diamond and I'm not going to speak about that, thank you very much".

The interviewer kept pushing, so Naomi Campbell got up – and when a cameraman turned a camera on her, she reportedly pushed it away.

RITA ORA

THE singer was in an interview, talking about performing on stage and her upcoming music.

But things took a turn when the interviewer asked about Calvin Harris not releasing some of her music.

She abruptly said "Thank you" and then made a quick exit.

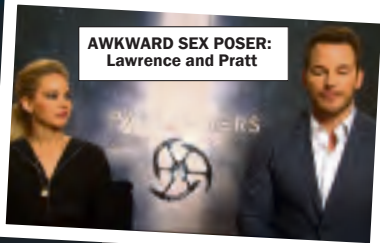

JENNIFER LAWRENCE

JENNIFER Lawrence and Chris Pratt starred in the movie *Passengers* together. They weren't in a real relationship, so it was pretty awkward when a radio interview began discussing sex.

The interviewer asked, "What's the most adventurous place you've had sex, either of you?"

Chris Pratt answered on a plane, while Jennifer Lawrence said she likes being safe.

But then the actors disappeared from the interview, and someone else said they are wrapping things up.

THERE'S nothing quite like seeing a celeb lose their rag.

EastEnders star Patsy Palmer stormed off *Good Morning Britain* during a virtual interview last week, upset over how she was billed on-screen.

Along the bottom of the screen was a caption reading: "Patsy Palmer: Addict to Wellness Guru". "It's not okay to have 'addict to wellness guru' on the bottom of the screen," protested Palmer, who was calling in from Malibu.

"Huge apologies for that!" replied host Susanna Reid.

Palmer continued: "My addictions that I had years ago that were talked about by me many, many years ago - it's over, so I'm not gonna talk to you any more."

With that, she closed her laptop and was gone.

But Patsy's not the only babe to have left an interview she did not like.

She answered the question, but it was followed up with another question: "Is there a part of you that thrives on drama, or is it no, just pain and unpleasantness?"

The rapper didn't like this question at all.

"That's disrespectful," she said. "Why would a grown-ass woman thrive off drama?"

She continued to explain why the question was terrible, but eventually sent the reporter out, stating, "I don't care to speak to you any more."

THE *America's Got Talent* judge was on Aussie breakfast show *Sunrise* when the hosts teased their upcoming interview by saying, "Don't miss Mel on X Factor, 7.30 tonight - how will she and Iggy get on?" (referring to Iggy Azalea being the new addition to *The X Factor*, which she was judging at the time).

That's when Mel B got up to walk out, saying, "Oh gosh, what is all this? I'm leaving!"

It was reported Mel B did the interview to talk about there not being a feud between her and her fellow female judge!

Bar chain says 'masks are for leftist pussies'

A BAR chain has BANNED primary school teachers who refuse to return to classes and claims masks are for "pussy leftists".

Kavasutra, a chain of bars that sells drinks made with the sedative plant kava, posted new rules on its Instagram page.

"EFFECTIVE IMMEDIATELY," wrote Kavasutra.

"Any and all schoolteachers who, by choice, have opted not to return to in-person teaching are hereby banned from any and all Kavasutra Kava Bar locations."

In the rant, the holistic drink business also blasted "pussy leftists" after announcing that COVID masks are no longer allowed at some bars.

"Masks may not be worn in Arizona or Florida locations," read the post, adding that "New York and Colorado are a bunch of pussy leftists so they can cover their mouths with a dirty cloth."

After being inundated with negative comments and one-star Yelp reviews, Kavasutra posted a sarcastic response, doubling down on its first.

"It has come to our attention that we may have upset some people with our last post," the second post said, before reiterating that "masks are for leftist losers, teachers unions are trash, women are born with ovaries. And we are doing slams at midnight tonight."

In addition to its two New York City bars, Kavasutra has 12 locations in Florida, two in Colorado and one in Arizona.

It is believed the firm's PR manager is currently on gardening leave.

Teachers let lodger roger underage girl

TWO teachers are accused of allowing their underage daughter to have sex with a lodger and letting other students smoke dope in their home.

Cops arrested James Brand, 50, and Amy O'Reilly-Brand, 45, on charges of child neglect and contributing to the delinquency of a minor.

Investigators received a complaint earlier this month that the Brands allowed their daughter to have ongoing sex with a man who lived in their home in Viera, Florida.

Police said the Brands also smoked marijuana with students from the high school where they worked.

The Brands worked at Viera High School, but investigators found no evidence of any criminal activity at the school.

Officers are also compiling a case for underage sex against the lodger, who they have not named.

SCHOOL MISS SUCKED OFF BASKETBALL TEEN

By SUZIE SHELTON
news@sundaysport.co.uk

THE finance boss of a top Christian school repeatedly sucked off the basketball team's captain and gulped down his hot teen SPUNK!

Tammy Moran, 45, is charged with three counts of sexual acts by a teacher or person acting in loco parentis.

In addition to serving as chief financial officer at Cape Fear Christian Academy in Erwin, North Carolina, Moran also allowed student-athletes from outside the area to stay at her home.

Cops were called to the school to question her and students after the sex acts allegations arose.

"They said 'digital evidence' substantiated allegations of a relationship between Moran and a student-athlete, believed to be the skipper of the basketball team."

The evidence is believed to be footage of Moran choking down the teen's hard cock and relishing his milky emission.

Moran is currently suspended from Cape Fear Christian Academy while the allegations are investigated.

A parent said similar conduct has occurred with other student-athletes, including her own son a year ago.

"My son had called me and said he had to leave because [she] was trying to have sex with him," the woman said.

"I went and picked him up from where she was at."

The woman, who lives

in another county, said she agreed to let her son live with Moran after it became a burden for his coach to pick him up every day.

"He had been complaining the whole time," she said. "But see, she plays it off like she's trying to get him a good education, trying

to get him in for a good school, when she's just so manipulative."

The woman said she complained to Cape Fear Christian leaders last year, but no one believed her allegations.

"She needs to be stopped, because that's what I was trying to do," the woman said.

The audacious duo, from Pennsylvania, helped themselves to food and drink, as well as a hot shower.

The couple also had sex, cops said, before the shocked babysitter discovered the unwanted house guests and called cops.

The pair fled but were traced and arrested using an iPad they had stolen.

DRUG BOSS 'TRAITOR' WRAPPED IN PLASTIC

A FORMER lieutenant in a powerful Mexican drug cartel who broke away from the gang has turned up wrapped in plastic on a park bench.

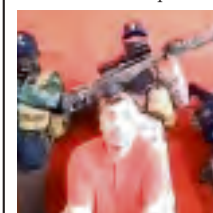

Mexican authorities said they believe the corpse found in a Jalisco park last week is that of Carlos "El Cholo" Enrique

Sanchez, an ex-member of the Jalisco New General Cartel before splitting off to form his own gang, the Nuevo Plaza Cartel, in 2017.

The gangs have since been at war over control of methamphetamine trafficking in Mexico and Guadalajara.

Police said the body was found in Jardín Hidalgo with two signs pinned to his body with knives – including one which read in Spanish "the traitor El Cholo".

It comes after a video posted online showed the handcuffed narco (left) being held in front of armed members of the Jalisco cartel – claiming he cooperated with cops.

PERV BASHED WITH DILDO AFTER SPUNKING ON BONDAGE DUMMY

Chased out of sex shop by the fuming assistant

By SUZIE SHELTON news@sundaysport.co.uk

A SEX shop customer was beaten with a huge DILDO and chased out by a sales assistant after he was seen furiously masturbating over a mannequin wearing bondage gear.

The customer was caught on CCTV as he was shown a display of adult products by a member of staff before being temporarily left alone.

The man then spotted a synthetic woman in black latex in the corner of the room and began performing a solo sex act.

But moments later he was caught by a sales assistant who grabbed a foot-long plastic penis from the rack and chased him out of the store, twatting him on the head as he fled.

Chains

In footage published by Russian news source Plokhie Novosti, a young man in a yellow jacket can be seen standing in front of a product rack as a sales assistant talks him through the products on display.

The woman briefly leaves the customer as she hurries into an adjacent room to answer the phone.

The customer begins eagerly examining some of the goods, before his attention is caught by a synthetic woman in black latex and chains sitting in the corner of the room.

He approaches the human-sized replica and spends a moment studying its outfit

before he begins to masturbate.

The sales assistant returns and catches the man performing a solo sex act as he unleashes loops of sticky white love piss.

She rushes towards him and tries to grab hold of his jacket to drag him out of the shop.

The customer resists and wriggles from her grasp as he tries to zip up his trousers.

The quick-thinking sales assistant then

grabs a plastic penis from the display case and chases him outside.

The video was supplied by the shop assistant herself, who did not wish to disclose her name or specify the Russian city where the incident occurred.

She said: "The guy seemed normal at first and I went to answer a phone call.

"I was away about a minute. When I saw him, I instantly realised what he was doing."

'SUGAR DADDIES' CONMAN TRICKED WOMEN INTO SEX

A PERVERT posed as an agent for wealthy "sugar daddies" and tricked 11 women into sex acts with him on the premise of "testing" them out for clients.

De Beers Wong Tian Jun, 39, pleaded guilty to 10 charges including cheating, criminal intimidation and possession of obscene photos for circulation.

Another 26 charges will be considered in sentencing.

The court heard that Wong wanted to have paid sex in 2015 but could not afford the prices he saw listed in online advertisements.

He devised a scheme to advertise for "sugar babes", or paid escorts who provided sexual services to "sugar daddies" in exchange for money.

In the ad, Wong lied that he was a freelance agent who

connected such escorts to his well-to-do clients and sought people who were "serious about earning good money".

Between April 2015 and January 2016, at least 11 women aged between 18 and 24 responded to Wong's ad.

Singapore-based Wong said he

had clients who would pay them £1,000 to £10,000 per month, but said they had to first send their nude photos to Wong or engage in sexual acts with him.

He claimed this was necessary for the women to be "evaluated" by his clients to assess if they were suitable for a "sugar daddy" arrangement.

In truth, he had no such clients and had lied so that he could have sex with women without needing to pay them.

The prosecution called for at least 30 months' jail for Wong's "sustained and egregious offending against multiple victims" over 10 months, highlighting the premeditation and planning involved in his "systematic approach".

Wong (above) will return to court for sentencing next month.

Silly selfie dad and kid escape elephant charge

A MAN and his two-year-old daughter hopped multiple barriers at a zoo to get a selfie with an elephant before being charged by the animal.

Jose Navarette, 25, was arrested on charges of child endangerment after he "jumped the fence" to the elephant enclosure at San Diego Zoo in California.

"It became frantic and hysterical," eyewitness Matthew Passiglia said.

"It was a big roar. The elephant stuck its head up in the air and its tusks and he started trotting toward them."

"I didn't think it was going to end well."

Navarette tripped and dropped his toddler as he ran from the charging elephant, which came within five feet of them, the eyewitness added.

"He was able to tuck and roll and throw the baby back underneath the fence," another eyewitness, Kyle Rea, said.

Dad and child made it to safety unharmed before the elephant reached the fence.

McDonald's hit by a trucking tosser

POLICE are hunting a man who exposed himself and furiously masturbated in front of employees at a McDonald's branch.

The shocking incident happened at around 6am at a McDonald's in Dunn, North Carolina.

The suspect, in his mid-30s, was driving a white box truck that had blue or black lettering on the driver's side door.

He repeatedly exposed himself and masturbated in front of the fast-food chain's employees.

It is not known if the man reached completion.

NAKED ATTRACTION

GOING naked is all the rage.

So it's a good job it's warming up, eh?
Last week two sexy celebrities shared their experiences about going au naturel.

Countryside presenter Kate Humble described going to a cabin in the French woods that she owns with her hubby.

The 52-year-old, who swam naked on telly said: "We drive there and try to go for a month so we'd love to do that this year if we can. We go feral. I don't wear any clothes, we cook on fires, we swim in the lake and it's absolute heaven."

Buff

And *Britain's Got Talent* judge Amanda said she even cooks in the buff.

The 50-year-old radio presenter and telly star said: "It's absolutely par for the course for me to be walking around with no clothes on in our house."

"I was quite literally *The Naked Chef*!"

"I got out of the

shower, realised I was running late so didn't bother to get dressed. I just raced downstairs, got the potatoes on, the meat in the oven and my veggie option.

"It definitely made it more interesting!"

Now, we would not suggest stripping off in the park, for example, but let us celebrate nudity with FIVE pages of babes getting naked!

THE CANNIBAL WHOSE VICTIM VOLUNTEERED

He filmed cutting off man's **PENIS** before killing and **BUTCHERING** him into **STEAKS**...

ARMIN Meiwes began to have cannibalistic fantasies when he was just eight years old.

A lonely boy, he indulged in an imaginary world where he invented "brothers".

In his teens those brothers became objects of his sexual desire and his yearning for connection with them grew so strong that he wanted them to be part of him.

"Then I thought if they were to become

By **KOURTNEY KENNEDY**

news@sundaysport.co.uk

a part of me," he said later, "I'd have to eat them."

As an adult, Meiwes spent hours on message boards and chat rooms talking with 400 people who either fantasised about eating others or being eaten.

He started meeting up in hotel rooms for sex with men from the sites.

One asked him to write the names of

cuts of meat on labels and then pin them to his body with needles.

But up to then, none of them were actually willing to be eaten alive.

Using the alias "Franky", he posted an advert online saying: "Searching for a well built young man who would like to be eaten by me, significant full body pictures desired."

Several replies came, but one particular post caught "Franky's" eye. The email subject line read: "Dinner – or your dinner."

"I'm offering you the chance to eat me alive," it added.

Bernd Brandes went to Meiwes' farmhouse and they agreed to film everything that took place.

Around 6.30pm in the evening, Brandes took sleeping pills for sedation and they went to a "slaughter room" Meiwes had prepared.

Chewy

There, he cut off the 43-year-old's penis.

Then the two of them tried to eat it – but Meiwes had overcooked the organ and it was too "chewy".

Bleeding out, Brandes ran a bath. Meiwes waited downstairs for his guest to die, passing the time by reading a *Star Trek* novel.

But after three hours, his guest was still alive. By now impatient, Meiwes decided to kill him – stabbing Brandes in the throat.

With the cameras still rolling, the cannibal set about butchering Brandes' body.

"In the slaughter room after he was dead," Meiwes said, "I separated the head from his body and hung

HE had been having shocking, twisted fantasies of devouring human flesh ever since he was a little boy.

Then, as an adult, computer repair man Armin Meiwes made his twisted thoughts a reality.

He filmed himself cutting off voluntary victim Bernd Brandes' penis before killing and butchering him into steaks in 2001.

The horrific act in Meiwes' remote farmhouse in Wüstefeld, Germany, was just the beginning of a nightmarish sequence of events.

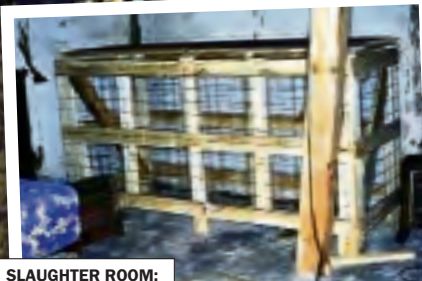

Meiwes fatally stabbed Brandes in the neck before butchering his body in a purpose-built "slaughter room" in his home.

He harvested the meat from Brandes' corpse and hid the steaks of human flesh in a secret compartment in his freezer.

Then he ate them by candlelight alone in his dining room over the next 10 months.

What made the case even stranger was that Brandes, an engineer, had willingly signed up for this grisly fate by replying to Meiwes' online ad looking for a victim.

Because of his acts, Meiwes is also known as the Rotenburg Cannibal or Der Metzgermeister – The Master Butcher.

SLAUGHTER ROOM: Meiwes butchered Brandes' body and hid "steaks" in freezer (above left)

him from the ceiling.

"Then I removed his organs and cut him in half. I poured hot water over the two halves and washed the body."

Next, Meiwes buried Brandes' guts and skin in his garden, while he packed the steaks of the body into a secret compartment hidden at the bottom of his freezer.

Over the next 10 months, Meiwes ate parts of Brandes on his finest tableware in his dining room, complemented with fine red wines.

Meiwes said the first meal was the realisation of a 30-year fantasy.

Reports say that over the timeframe, he ate between 20kg and 40kg of Brandes' flesh.

"I fried a piece of rump steak, a piece from his back," he said.

"The first bite was, of course, very strange. Flesh tastes like pork,

but stronger, more substantial.

"Although I don't think other people would have noticed the difference had they eaten it. It tasted really good."

But Meiwes still wasn't satisfied.

Over the next few months, he hunted for his next victim online. It was to be his undoing.

An Austrian student saw one of the graphic posts and alerted cops, who arrested Meiwes in December 2002 and searched his home.

There, they found uneaten remains of Brandes in the freezer – and the horrific video tape of his slaughter.

But the tape also confirmed Brandes was a willing participant in his own killing.

And at the time, there was no law against cannibalism in Germany.

Meiwes was convicted

HATE TEEN'S PLOT TO EAT HIS VICTIMS

Monster used

**gay dating

A CRAZED teen plotted to murder gay men – including a plan to dismember one victim and use his body parts as trophies, mementos and FOOD.

Would-be cannibal Chance Seneca, 19, faces charges including hate crime with intent to kill, kidnapping, firearm possession and obstruction charges in connection to a scheme to attack gay men for their sexual orientation.

He allegedly tried to kidnap one man and successfully abducted two others – using the dating app Grindr as his “hunting ground”. The plot unravelled after Seneca couldn’t take the sight of his own grotesque, handiwork and called cops himself.

Slit

Police responded to his dad’s house to find Seneca outside smoking a cigarette and his seriously injured victim Holden White, then 18, passed out in an upstairs bathtub.

“Officers reported seeing White’s wrists slit to the bone and strangulation marks around his neck,” the complaint states.

“Weapons, such as a knife, ice pick, saw and

hammer, were in plain view around the bathtub.”

After Seneca (above), of Lafayette, Louisiana, was arrested, he told a detective he “intended to kill and dismember White”.

He said he convinced his victim to wear handcuffs as part of a sexual encounter.

Seneca said he then strangled White from behind until he was unconscious, pulled his body into the bathtub, stripped off his clothes and sliced his wrists with a knife so deeply his hands were almost severed.

White spent nearly a month in intensive care and rehabilitation.

of manslaughter in 2004 and jailed for eight-and-a-half years.

But a prosecution appeal later got a retrial – and Meiwes was convicted of murder.

It was so upsetting that only 19 minutes of the four-hour slaughter video was shown to the jury in his trial.

Meiwes was sentenced to life in prison in 2006.

But only last year it was revealed he is now allowed out – disguised in sunglasses and a cap – on day release.

And since his imprisonment, the “model prisoner” is believed to have become a VEGETARIAN.

Meiwes, now 59, was denied probation in 2017 – but the Kassel regional court is now considering another application.

Don’t bet on him not getting out.

NOT 'N' HORNY

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

Why are 'Mr' & 'Mrs' not normal anymore?

LIKE the dutiful little boy I once was, I finally got round to filling in the census form and ping it out in time to beat the deadline.

I did ponder over the "prefer not to say" option when asked what I actually was – but then figured that, it being a census designed to collate useful data about society, that was entirely pointless.

So yes, I confirmed, I can confirm after looking at the many exciting options that I am a MALE.

I live with my other half, who is not. And I haven't got a secret family in the cellar. Honest.

And, of course, I am a dedicated follower of Groot, that well-established religion devoted to a sturdy monosyllabic shrub.

Now, people get incredibly snotty about filling in the census.

Probably because it's just a pain in the arse and the footy's on.

But this is almost certainly the last one, as the government has finally cottoned on to the fact that they are, by and large, useless.

And that's because lots of people lie when filling them in, despite the threat of a £1,000 fine. Hence Groot.

Besides, in 10 years' time, can you even begin to imagine the number of questions that would be on there?

Last week, an elected member of Bournemouth council came out with a corker.

The organisation should seek to scrap the terms "Mr", "Mrs", "Miss" and "Ms" because they are – ready to play woke bingo? – "outdated".

In future, this councillor proposed, all staff and anyone in correspondence of any kind with the council will instead be addressed as "Mx".

This is in order to be more inclusive

towards those who seem to have trouble deciding who they actually are.

Bugger the 99.99999% of us who know exactly who we are – it's time everybody embraced gender-fluidity like it was a life jacket in the sea.

It means using terms like "Mr" and "Mrs" – don't they sound well together? – is officially Not A Nice Thing to do anymore in the Woke World of Bournemouth.

Use of those terms reinforces "historic gender stereotypes" – which presumably will soon stretch to such hateful words like "boy" and "girl", too.

As Bournemouth Independent councillor L-J Evans explained: "The use of masculine and feminine words to cover people, regardless of gender or sex, is unnecessary, inaccurate and tends to reinforce historic gender stereotypes."

"Gender-neutral writing is about clarity, inclusion, equality and would help to prevent unconscious bias."

"Generally, when letters are sent to a wider audience, they are addressed to 'Dear resident' anyway."

"If somebody writes to us using a specified pronoun, of course we will use that."

"But some names are ambiguous. A move to 'Mx' is more of a general term that could replace Mr, Mrs, Miss or Ms."

Note that at no stage in her high-minded diktat does Cllr Evans appear to put this forward as a suggestion, no matter how hare-brained.

No – this is a statement of "this is how it's going to be" and without giving a stuff what the council's 395,000 real, living, breathing, actual residents think about it.

Good luck sending out letters about overdue council tax payments to Mx Frankie the Hammer, love.

Vile vet gets nabbed over dog-shagging

A DIRTY vet has been accused of sexually abusing a DOG.

An investigation was launched into Prentiss Madden, 40, after the file-sharing web service Dropbox notified authorities about a user with more than 1,600 files of illegal pornography.

The files were traced to an IP address registered to Madden's home in Aventura, Florida.

Homeland Security agents raided his home on February 24 and found files in which Madden (above) discussed "the sexual abuse of animals" as well as multiple photos and videos depicting bestiality.

Another explicit video appeared to have been taken at Caring Hands Animal Hospital in Miami.

Madden served as medical director there until he was fired two weeks ago when colleagues learned that he was being probed.

Agent Leah Ortiz wrote in his report: "This leads me to believe that Madden may be abusing animals entrusted to his care."

Two die in huge fireworks blast

A DEADLY fireworks explosion has caused at least £2.3million in damage.

The blast was caused when a stash of fireworks inside a house exploded.

It killed two people, destroyed several buildings and damaged others.

It also forced residents to evacuate from about 80 homes.

Relatives have identified the victims of the explosion as cousins Alex Paez, 38, and Cesar Paez, 20.

Officials in the California town of Ontario have had to burn the remaining fireworks to destroy them.

It's unclear what caused the fireworks to go off.

Actress recommends see-it-going-in filth

GWYNNIE: WHY I LOVE PORN!

HOLLYWOOD babe Gwyneth Paltrow has given the green light to filth by recommending so-called ethical PORN on her lifestyle website.

Writing on her Goop site, Gwynnie says: "The first time you watch porn that genuinely and deeply arouses you is akin to the moment you have sex with another person and experience an elation that makes you think, 'Oh, so this is what sex can be'."

The 48-year-old mother-of-two adds: "If you haven't checked what's available in a while, you might be pleasantly surprised."

Her intervention is part of a fightback by some feminists as they champion 'female-friendly' pornography' which 'espouses ethical standards'.

Hot

Gwynnie, whose Goop website has eight million followers, is an influential voice, having been one of the few Hollywood stars to speak out about sex predator film producer Harvey Weinstein.

"Of course, porn is not for everyone," she adds on her website.

"For some, taking sex to an external world, on a screen, disconnects us from our own bodies. Others experience porn as a powerful exploration of sexuality."

She offers a guide

By JAYNE FERGUSON

to 'erotic sites' and Paltrow-approved porn which is 'shown through the female gaze, made by women, ethically produced - and hot'.

One of these is, founded by Erika Lust, a Swedish film director, whose output is 'based on real-life stories and sexual fantasies submitted anonymously'.

Ms Lust states that her £25-a-month subscription service offers an alternative to traditional, debasing pornography.

Other sites that Gwynnie recommends include Pink Label TV, an £18-per-month channel whose titles include *Teen Angels* and *Black Sex Magic*.

COUNCIL BANS SEWER-SWIMMING SHITTER LIZARDS

MORE than a dozen reptiles have been banned as pets because so many escape and end up appearing in people's TOILETS!

After years of wreaking environmental havoc, causing expensive property damage and scaring the crap out of humans who have discovered one of these sewer-exploring creatures in their toilet bowl, 16 reptiles have been banned from being commercially bred.

Now a council has voted to ban a variety of python types, all tegu lizard species and

green iguanas, among other problematic but beloved pets, from being commercially bred.

Green iguanas alone cause considerable damage to infrastructure, including seawalls, so much so that authorities have urged locals in Florida to kill them.

They're also known for causing emotional damage by suddenly appearing in toilets,

which they get into by swimming up through sewers.

Current owners of the soon-to-be-blacklisted creatures will be allowed to keep their pets, but will not be allowed to replace them once they die.

"These animals are out there doing lots of damage," Florida Fish and Wildlife Conservation commission spokesman said.

THE WORLD FAMOUS AGONY Page

Dear Sam,

THE other week I found a film clip on the internet which I'm pretty sure is of my girlfriend and two blokes – having sex.

Imagine my shock when I saw her sucking on a huge cock while she was being boned from behind.

Then I watched in amazement as she sucked both their cocks at the same time.

She then lay on the bed while they wanked all over her tits before screaming her head off as she had one cock up her arse and one in her fanny.

This shocked me more than anything else because she's always been so reluctant to experiment sexually like that with me.

Even though I realise she may have made this film before we ever met, I can't get it out of my head and refuse to delete it off my home computer, as I still like to watch it and have a tug when I'm alone.

Is this normal behaviour?

DC, Newcastle

Sam says...

WHY not ask her to make your own video together.

Dear Sam,

I'M a married businesswoman who was in charge of a big sales firm, bossing around dozens of men.

But this all changed last month when the firm was taken over and a new chief exec arrived. He's a pushy type but really fit who is always effing and blinding at the staff.

At first I put up with him, but one day I blew my top when he criticised me. When I calmed down he smiled and said there was only room for one boss and I'd have to learn my place.

I found myself getting turned on by his words and then he grabbed me, bent me over his desk, pulled up my skirt and gave me a good spanking!

I was so shocked I did not try to resist and he then teased my fanny with his expert fingers until I was virtually begging for him to f**k me over his desk.

Now when I'm randy, I am deliberately rude to him and he spanks me. Is this a normal working relationship?

DS, Sussex

Sam says...

NO – but it sounds like you've got everything in hand. I.

Office cleaners enjoyed playing dirty with me

Dear Sam,

I'M a night security guard at an office block and my routine is usually pretty boring.

But one night last week I was doing my rounds when I heard sexy giggling coming from one of the offices.

I carefully peeped in and was amazed to see two of the fit young cleaning girls, both about 19 or 20, naked and touching each other up!

Instantly my Johnson stiffened as I stood and watched the babes running their hands over each other's bodies.

Then they started kissing each other deeply and toying with their stiff nips.

The blonde one then squatted

down and tongued the redhead's beaver before they swapped positions.

They must have heard me gasping as they both looked up at the same time and caught me watching their antics.

I thought they would go mental – but instead they beckoned me in!

Soon the redhead had my cock in her gob as the blonde straddled my face with her dripping muff.

Trouble is, I haven't seen them since and I'm shit-scared CCTV will have caught our romp and I'll end up getting sacked!

HF, Manchester

Sam says...

WELL at least you had some fun at work.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

I bonked two horny sisters in pub toilet

Dear Sam,

I'VE had a bit of a problem since I moved to a quiet village six months ago.

I work in the pub and I've fallen for one of the locals. She's 29 and has a great figure.

We have a laugh and a joke every time she comes in and we fondle each other without the others in the pub knowing.

I'd really like to start up a relationship with her, but the problem is that I'm sleeping with her sister!

Sucking

I met her soon after I settled in at my little cottage and we've been an item since.

She's a great girl in her mid-30s and we have a lively sex life.

Recently we had a lock-in at the pub and when I went to the toilet the younger sister followed me.

She got my manhood out, pulled me into the ladies, ripped my jeans down and hitched up her skirt.

Then she pushed me against the wash basin and ordered me in no uncertain terms to f**k her.

After 10 minutes we were still going

for it when my girlfriend suddenly came in and caught us on the job.

She rushed over, barged her sister to one side, took her top off and started sucking me off until I came all over her massive tits.

I ended up shafting both of them – twice!

But the next morning, when we'd all sobered up, things were a little different and now they are asking me to choose between them.

I don't want to ditch either, as they both really turn me on.

What should I do?

PY, south Yorkshire

Dear Sam,

MY missus is a right kinky mare and I used to love it when she sucked my toes and licked my balls.

I even went along with it when she asked me to penetrate her with fruit and veg – the odd cucumber and banana.

But a couple of nights ago, she asked me to pleasure her with a massive German sausage we'd bought earlier at the supermarket.

I drew the line at this, but then she said I'd have to make my own tea in the future!

BL, Somerset

Sam says...

IT sounds like you're more keen on the younger sister, so I think your choice is an easy one.

Sam says...

WHY don't you sit down with her and work out what you BOTH want on the sex menu.

Dear Sam,

I'M a 24-year-old blonde babe who loves to get attention by wearing high heels and tight skirts.

I'm due to get married in July to a really nice fella who treats me like a princess.

But the problem is I turn into a real slut when I'm pissed.

At last year's office Christmas party I got tipsy and had a lick of the boss's meat stick.

The other day I went to the pub with a few of my mates to talk about the wedding and it wasn't long before a fit, hunky fella caught my eye.

I followed him into the men's toilets and told him that I wanted his knob in my gob.

I quickly got my lips around his big shaft and played with his bellend as he massaged my clitoris.

But after he shot his load down my throat, he suggested he text a couple of his mates who were back out in the pub – if I fancied gobbling them as well.

Well, I told him I was well up for it and he got his pals in for a spunk fest.

Now I feel guilty my fiancé will find out and call off the wedding.

Help!

HG, Birmingham

Sam says...

ONCE you're wed, you should calm down a bit!

Back seat sex pays for driving lessons

Dear Sam,

I'M a 19-year-old female student who is currently learning to drive.

I reckon I'm a decent looker with an attractive body and my instructor was very flirty with me from my very first lesson.

And when I told him I was skint as old arseholes, he said it wasn't a problem and that I could pay him "in other ways".

This means I now suck him off and let him shag me in the back seat of his car down a quiet country lane after each lesson.

He's 44, but he's handsome enough and physically very fit as he goes to the gym all the time.

Ramming

So he has a nice toned body and, best of all, he has a massive cock which is about eight inches.

I enjoy sucking his dick and he always licks me out before doing me from behind, ramming me hard and fast with his rock-hard cock.

But I'm starting to worry that he's not teaching me to drive that well.

I've had around 50 lessons so far and I have failed my test three times.

But he says I'm a good driver and I just need to be patient and carry on with the lessons.

What should I do?

PK, Essex

Sam says...

SCREW the examiner next time! Or find another instructor who won't take the piss.

Y SEX FANTASY

'He loves to see me playing with myself and using my vibrators!'

I'M single and so was very sexually frustrated being stuck in on my own during all the lockdowns.

So I have been getting creative and naughty having video cam sex!

I have a few fellas on the go who I've connected to through dating apps.

One is living at the other end of the country and our sexy shenanigans are the wildest! I don't know if it's because there's little chance of a real life relationship.

Explicit

There's no inhibitions and it's been really thrilling putting on a visual show for each other.

We began with me doing a little strip tease for him and him for me. Another time we played strip poker. Then it got very explicit.

He loves to see me playing with myself and using my vibrators and other sexy toys and he gets hot when I rub my boobs with baby oil.

And I love to see him playing with himself, too!

Who said lockdown has to be boring... I'm having a great time!

#HOT'N'HORNY

BUSTY Jessica Moore admits she's a big showoff.

And best of all, she likes to show off her big busters.

As soon as she turned 18, the Hungarian-born starlet started posing in topless photos for jazz mags.

She told *Midweek Sport*: "It's something I always wanted to do - I'm a natural show-off."

And with 34E curves, there's plenty to show off!

Exciting

Juicy Jess soon found that posing was just not enough for her and moved into the exciting world of hardcore porn.

Her entry on the Boobpedia website says it all: "Jessica Moore is known as an anal queen among many porn fans because of her well received performances in films such as *Ass Pounders 6*, *DP Fanatics 3*, *Gaper Maker 7*, and a fair number of other anal sex films."

She admitted: "What can I say? I love it in the ass! OOOOF!"

SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of nosh as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

GORGEOUS Keeley Dean loves showing off her curves in saucy lace lingerie.

She says she can't get enough sexy underwear and admits she never feels sexier than when she's wearing a skimpy bra and panties.

Mood

Keeley, who's from Wycombe, Bucks, said: "Every girl feels sexy in matching lingerie!"

"I have many matching sets and I love dressing up in them to get my fella in the mood."

"Wearing really classy underwear definitely makes me feel sexier than being naked - I always feel like I've made an effort."

GOOSE: Tuchel

Moody Blues so knackered moans Tuchel

By JOHN ANTHONY

THOMAS Tuchel says he feels lucky to still be unbeaten as Chelsea manager.

It has been an incredible start for the German since taking over from Frank Lampard. The Bridge boys have gone 14 games without defeat — but the international break has come at the right time according to the gaffer.

He is just pleased to have steered Chelsea into the FA Cup final after a stuttering victory against Sheffield United.

Tuchel said: "We are clearly tired now. I could see after 14 matches consecutive.

"I could feel us tired in the game against Sheffield United, a lack of concentration, many little faults and strong opponent.

"We were lucky to keep the clean sheet.

"It was not the first time in 14 matches when we were lucky and allowed too many chances, but it can arrive and it's important in the end to go through."

Tuchel says he has spotted some of his players' effort tailing off in training in the past week or so.

He added: "Honestly I could feel it in training, since some days we feel a bit tired and have a lack of concentration, it's not too easy. It's normal. It can happen.

"In a game it becomes more and more problematic to keep the level up so these things can happen."

One thing remains

OUTCAST: Christian Pulisic

clear at Chelsea — Tuchel doesn't seem to trust Christian Pulisic.

And that is fuelling talk that he will rejoin his former Borussia Dortmund boss Jurgen Klopp at Liverpool this summer.

The American has fallen behind the likes of Hakim Ziyech in the pecking order and he has had just three starts since Tuchel took the helm.

Former US and Kop goalie Brad Friedel thinks Pulisic should get to Anfield this summer.

He said: "I think Liverpool's system is a good one for Christian, without a doubt.

"He's very quick, his first steps are quick and even when he gets going, he's very quick.

"The pressing style that Jurgen Klopp likes to play under, then the quick counterattack and the runs through the lines, I think he would be able to perform very well in that system."

TUSSLE: Salah is determined to get Liverpool back on the right track

KOP FLOPS TO EURO STARS

Salah: Champions League can spur us on

By PAUL THOMAS

MO Salah says Liverpool need to translate their European form to the Premier League.

The Reds have made a right mess of their title defence and went into the international break in seventh place and a whopping 25 points behind leaders City.

Things have gone better in the Champions League where they brushed aside Red Bull Leipzig to set up a quarter-final against Real Madrid.

Salah has been one of the few Anfield stars to have shown his proper form this season.

Despite the team's woes, he is joint top scorer in the Premier League this season with Harry Kane.

Salah is enjoying his trips to the continent and is hopeful that doing well in that

competition can help Liverpool get back towards the top four.

He said: "It's a good feeling and I'm happy about our last results, so hopefully we can just keep winning."

"It's tough for all of us because of the situation we have been through and our position in the Premier League, but I believe it's going to be better."

"In the Champions League we are doing good.

"We're going to give our 100% to win the next few games and hopefully we can do that and do good also in the Champions League."

Meanwhile, Rangers boss Steven Gerrard says England gaffer Gareth Southgate has made a big mistake by dropping Trent Alexander-Arnold

from his squad. The Kop legend played a big part in the full-back's development when he ran the club's academy.

Southgate believes that the 21-year-old's form has dropped a level this season.

And he sees the likes of Ki-eran Trippier as offering more to the Three Lions.

Surprise

Gerrard says he will offer any help he can to Alexander-Arnold and is confident he'll be back on the international stage soon enough.

He added: "One thing's for sure, I'll always be there for Trent."

"It goes without saying, any second of the day. I wouldn't make the first move. He's a man himself."

"He knows where he's at. Gareth Southgate makes the decisions there. I don't neces-

sarily agree with that decision. But I'm not the England manager.

"I think Trent is the best English right back in the country.

"One thing I've learned from being a player is you can't always be 10 out of 10. When you do come off, you need that support, love and attention from your manager more than anyone else."

"So, I was surprised by the decision but that's my opinion and my opinion is not important in this."

"Trent is a world-class right back, he's the best right back the country has got."

"We've got other fantastic right backs by the way. But in terms of the loaded side of the question, I'm there for Trent and any of the other Liverpool players at any moment of the day."

We must put the Hammer down for top four

BACK TO FORM:
Lingard has played
his way into the
England squad

JESSE Lingard says the West Ham players are gutted about throwing away a three-goal lead against Arsenal.

And he thinks the Hammers have to make sure they don't make any more mistakes if they are to achieve their top-four dream.

It's a surprise to many that David Moyes' men are just two points off the Champions League places.

But they sit above the likes of Liverpool, Tottenham and Arsenal on merit and would have been level on points with Chelsea had they held off the Gunners.

While Arsenal did well to bridge the three-goal deficit, West Ham had chances of their own to put the game out of sight.

Dropped

And it's missing those that is bugging Lingard, who is still confident of ending the season on a high.

He said: "Going 3-0 up and then dropping back and not having the confidence to get another goal — we're all very disappointed."

"If we want to fight for top four we have to put our chances away."

"With a start like that you have to kick on and get more goals. I felt we dropped off, they had more possession — we needed to start the second half quick but it was a lapse in con-

LINGARD GUTTED BY ARSENAL DRAW

centration and focus. I want to help the team any way I can. Everyone is disappointed in the dressing room but we have to pick ourselves up and move on."

Those comments are echoed by Jarrod Bowen who hit the target in the London derby.

He said: "We should have put the game to bed, which we felt we did, but we dropped and dropped and invited pressure."

"You can't do that for 45

minutes in a game and expect to get away with it. We got punished for the way we came out in the second half

"We wanted to start on the front foot again, but we didn't and got punished for it."

Now David Moyes has to pick up the players and make sure they get back to winning ways after the international break.

He said: "It has been a long time since we finished above Arsenal, we have

done our best to make sure they can't catch us."

"Now we want more, I'm greedy and they were all devastated in the dressing room at not taking three points from the match."

West Ham goalie Lukasz Fabianski says the fact the Hammers are gutted at only getting a draw against Arsenal shows just how far they have come.

After finishing 16th last season few pundits expected them to be pushing for a place at Europe's top table this time around.

Pushing

But with only Leicester and Chelsea to play from the teams above them, they must have a chance.

Fabianski said: "The season so far has been really good and that we are disappointed with drawing against Arsenal at home shows you how far we've come compared with what happened to us last season."

"We have improved a lot and we want to keep on pushing really strong to the end of the season, keep performing and getting a good amount of points on the board."

"We want to finish as high as we can."

MORGAN HAS EYES ON CUP DEFENCE

CRICKET By ANDY MILLOM

EOIN Morgan says the one-day series against India is crucial preparation for the next World Cup.

The England skipper says the Three Lions are already in full preparation mode for the tournament that will take place in Australia next year.

It's a surprise that Morgan is already talking about defending the trophy his side won in dramatic style two summers ago.

He thought about retiring after that but it sounds like he wants to be in charge for the next World Cup.

Morgan expects a big effort from his team in the next week or so. He said: "We'll see guys given opportunities."

"It's going to be exciting, against a very strong Indian side is a huge opportunity for everyone to get back out there, in the frame of mind and the pace of 50-over cricket, and for guys who want to make their case in both formats."

"With a World Cup around the corner, playing any cricket is a huge opportunity for guys who have been here on the fringes and not made selection so far."

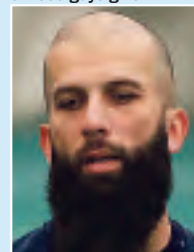

"When you score runs or take wickets away from home, there is always a huge incentive to try and push your case forward."

One man who is in particular focus is Moeen Ali who missed the final two Tests last month.

He is seen more as a white-ball player these days with his quality spin bowling combined with his batting ability.

He has been up and down the order for the one-dayers but needs to establish himself as a key part of the side.

Morgan said: "The little period Mo spent at home before this series

KEY MAN: Moeen Ali

has done him the world of good. He has come back refreshed and with plenty of energy."

"He is a very relaxed guy who always has a reasonable perspective on life and sport and the role that it plays within society. So he is travelling really well."

"Anybody who is an all-rounder and makes the squad is extremely valuable to our one-day side."

"I know he has not played but that's been circumstantial. The pitches we played on just haven't turned and that obviously limits the contribution a finger-spinner might make in the game."

Bellingham good enough says boss

JUDE BELLINGHAM is good enough to start NOW for England says his club boss.

The Borussia Dortmund teen sensation has been called into the Three Lions squad by Gareth Southgate.

And he has been allowed to travel from Germany despite the Covid regulations.

Now his club gaffer Edin

By JOHN ANTHONY

Terzic says the 17-year-old should not just sit on the bench in the World Cup qualifiers.

He said: "I have nothing but positive things to say about Jude Bellingham.

"We're really satisfied with him. I personally have a very close relationship with him.

What he's shown in the last few weeks has been outstanding,

especially considering he's only 17 years of age.

"He's been invited to the England senior squad again. Everyone knows how talented the English national team is.

"So when you have someone who's 17 and is playing for us and for the England senior team, you can imagine how good he really is.

"I find he's not only doing well on the pitch but off it too."
